

# Transitional Ministry Education Offerings 2020

Equipping leaders to navigate the pathways of change for the church in the 21st century.

## Week 1: Introduction to Transitional Ministry

This course is for individuals who are considering ministry in temporary settings (as an interim, transitional or designated pastor) or are experiencing ministry in these transitional times. Materials presented will include the basics of transitional ministry and will be of value to all congregational pastors regardless of ministry setting.

## Week 2: The Practice of Transitional Ministry

This course is the second part of the transitional ministry education sequence and is tailored for those who want to go deeper, and who may already be serving in a temporary position. Prerequisites: Completion of Week 1, ordinarily between six months and six years prior (or by prior approval of the faculty team leader) and the completion of assignments provided upon registration.

## Transitional Mid-Council Education

This course is designed for experienced transitional leaders who are interested in serving in wider councils of the church.

## Spouse Track

This course is designed for individuals whose spouse maybe considering or engaged in transitional ministry. Spouses learn in a retreat-like atmosphere with learning opportunities to understand transitional ministry and ample free time to hike, read and relax.
